Commissioner for Patents

Attached English Translations for WO 03/099951 and WO 2002/013647.

Corrected claim headings to be consistent with final rejection. Claims 46-51 were originally rejected under the 35 USC 103 rejection (Arzt in view of Tuma) on the final action dated September 28, 2010 however this was left out of heading. See page 7 of final rejection showing that claims 46-51 were rejected and now belong under the current heading for the 103 rejection.
